Board of Zoning Adjustments

The Board of Zoning Adjustments reviews and issues administrative orders for special use applications and variances as authorized within the Town's Zoning Ordinance. The Board also hears appeals to zoning decision made by the Town Planning & Zoning Administrator. Application for special use permits or variances are made by the applicants to the Town staff. Each application will come before the Board as part of a public hearing where affected parties will have an opportunity to present evidence and arguments for or against the application as well as ask questions regarding the evidence presented. The Board will then make a decision and issue an administrative order memorializing their decision. The Board consists of five members which meets monthly on the last Friday of the month absent holidays at 9 AM. Meetings are open to the public.
