Planning Board

The Planning Board is an advisory body to the Town Council on planning issues related to the Town's land development. It is responsible for the oversight and preparation of the Town's Comprehensive Plan, Zoning Ordinance, Subdivision Regulations and related land development regulations. It reviews and makes recommendations to Town Council on rezoning and zoning ordinance amendments. It also administers the Subdivision Regulations and Watershed Supply Protection Ordinance. The Board consists of seven members which meet monthly on the second Thursday of each month absent holidays at 5:15 PM. Meetings are open to the public.
