COA 5/22-2

Request: Consideration of a COA for Edwin Rodriguez to offset the location of the front door and place a brick façade on the exterior foundation wall.

Based on the last Commission meeting a site visit by the Commission members was suggested. Several of the Commission members went on a site visit to the location of the house (*Philip Slayter, Holt Kornegay, Elizabeth Hathcock and Terri Elliott*) in the latter half of this month. Mr. Slayter reported to the Commission that the site visit revealed a solution that was acceptable to the members on site and to Mr. Rodriguez. In short, the location of the front door was shifted approximately 18 to 24 inches to the left (when facing the house).

Following Mr. Slayter's remarks, the Chair recognized Mr. Rodriguez. Mr. Rodriguez stated he could accept the compromise that was worked out by the on-site team. With that Ms. Williams offered a motion to approve the shifting of the door per the compromise. A second was made by Mr. Joe Pearce. Motion passed without objection.

Minor Works

None were listed for approval

Adjournment

A motion to adjourn was made by Mr. Pearce with a second by Ms. Raney. All affirmed and the meeting ended.
